Arrival at Honolulu International Airport, where you will be welcomed in true Hawaiian spirit with a traditional lei greeting before heading to your accommodation — Aloha!

2 **DAY 2 — HONOLULU**

Breakfast. Our tour of Honolulu begins at the iconic Waikiki Beach, with its golden sands and turquoise waters that made Hawaii famous. The tour continues to the historic Iolani Palace, the only royal palace on American soil, offering a glimpse into Hawaii's monarchic past. The journey continues to the National Memorial Cemetery of the Pacific at Punchbowl, a beautiful and moving site honoring American veterans. The tour then heads up to the Nuuanu Pali Lookout, offering breathtaking panoramic views of Oahu's coastline. The group then explores the vibrant Chinatown neighborhood, experiencing its unique blend of Asian cultures and cuisines. A drive through downtown Honolulu showcases the city's modern skyscrapers alongside historic buildings. The tour concludes with a visit to the statue of King Kamehameha, honoring the monarch who unified the Hawaiian Islands. Free afternoon. In the evening, we suggest an evening tour with dinner and a hula show.

3 **DAY 3 — HONOLULU**

Breakfast. Take this day to continue exploring the island of Oahu, enjoying some of the best restaurants, shops

and beautiful beaches. Visit Honolulu's historic sites, such as the Pearl Harbor Memorial. Be sure to visit the North Shore and discover Haleiwa, a charming little town that thrives on surfing and pineapple plantations. The North Shore is home to the famous beaches of Waimea, Pipeline and Sunset, a mecca for surfers worldwide. On this outing, be sure to stop at one of the many food trucks and try the famous Hawaiian garlic shrimp. Also visit the Polynesian Cultural Center and learn about the local culture. Before saying goodbye to Waikiki, don't forget to stroll along the Waikiki Beach Walk to enjoy the sea, the sun and the cheerful atmosphere that draws tourists from around the world.

4 **DAY 4 — HONOLULU / FLIGHT TO THE ISLAND OF HAWAII**

Breakfast. At the appropriate time, transfer to the Oahu airport for a flight to the island of Hawaii. Arrival on the island of Hawaii. Welcome and transfer to Kona, this beautiful city on the west coast of the Big Island, the largest island in the archipelago. Here you'll find Hawaii Volcanoes National Park, the island's top attraction — a must-see just a few hours' drive from Kona. Visit Hulihee Palace, a former royal vacation home dating back to 1838, and Mokuaukua Church, dating from 1800. On the way back to Kona, visit Punaluu Beach, a black-sand beach and sea turtle sanctuary.

**11 Days and
10 Nights**

In the city of Kona, visit Hawaii's oldest Christian church. At Kailua Bay, reconstructed thatched houses at the Kamakahonu National Historic Landmark mark the residence of King Kamehameha I. Be amazed by the colorful coral at Kamakahonu Beach. At the end of the day, dive with the giant manta rays, one of the most incredible experiences Hawaii has to offer.

5 DAY 5 — KONA

Today you continue your adventure exploring Kona, with its nearly endless coastline of beaches tucked into some of the island's most unusual and scenic spots. Go snorkeling at one of the many coral reef beaches, and in the afternoon head up Mauna Kea, a unique experience at over 3,000 meters of elevation, home to a military observatory and a visitor center. The late afternoon up there is sensational, with the first stars appearing in a sky free of light pollution — straight out of a movie! Bring a jacket, since it's always cold up there, and it can even snow!

6 DAY 6 — KONA / FLIGHT TO MAUI

Breakfast. At the appropriate time, transfer to the Hawaii airport for a flight to Maui. Arrival in Maui. Welcome and transfer to the hotel. Saying goodbye to Kona, you head to Maui, the second-largest Hawaiian island, which offers more than 48 km of beaches, incredible hiking opportunities and scenic trails to explore. Maui has amazing parks such as Haleakala National Park, home to the Haleakala volcano, and Iao Valley State Park, where several scenes from Jurassic Park were filmed. On the way to the hotel, visit one of the island's lavender farms as well as Ocean Vodka Farm, where one of the purest vodkas in the world is made (admission not included). Take the time to relax and enjoy the local beach.

7 DAY 7 — MAUI

For this day, we suggest a variety of optional activities. A bike tour of Maui can be a great option, or even a helicopter tour to see this beautiful island from above. Another interesting outing is boarding a catamaran to Molokini Island, where you can go snorkeling in a dormant volcanic crater in the sea, home to more than 250 species of fish

and 38 different types of coral (admission not included). Afterward, you'll have the option to wrap up your adventure with a Hawaiian tradition, the Royal Lahaina Luau evening (optional). The experience will leave you with an unforgettable memory of this paradise island's Polynesian culture.

8 DAY 8 — MAUI / LOS ANGELES

Breakfast. At the appropriate time, transfer to Maui's International Airport for your flight to Los Angeles. Arrival in Los Angeles and transfer to the hotel. Check-in and the rest of the day free.
